

Dear Spouse,

The goal of this year's Spouse Program is to help make you an important part of the Home Care 100 community and give you a chance to experience the unique charm of Laguna Niguel with some fun and relaxation.

I'm excited about this year's program and hope you'll enjoy it. There are activities specifically for spouses-only, as well as plenty of time to spend with your 'better half'.

To make Home Care 100 better than ever, I'd like to hear from you! If you haven't already, please send me your email address. We're always looking to add new events and improve our ability to communicate directly with you.

Please feel free to contact me with any questions or feedback.

I look forward to seeing you in February!

Janine
